

Dear friends, we are pleased to announce that “Ramacafe International coffee conference 2009” welcomes with special attention the presence of Mrs. **Anna Illy and Luca Turello**, both representatives of **IllyCaffé**.

Illycaffé is a company that taught the world to taste coffee according to international quality standards. Their sustainability, innovation and diversification, is an example to follow. **Illycaffé** has also encouraged a good coffee culture, enlightening people on the search of quality coffee, creating the Coffee University, in Italy. On this occasion we are pleased to have them in Ramacafe, there is no doubt they are going to leave us the knowledge of a good coffee culture.
